Dear Abhishek

Congratulations! It is our pleasure to offer you 2 months internship at Bright Money starting 28th May 2020.

We are the future of A.I. FinTech. We will build the world's first A.I. powered credit bank and we really want you to be part of this journey.

You have spoken with many of the Bright team. We are all excited about your potential, and what you are capable of achieving in the Bright environment. We believe it will be a learning accelerator for you.

We will closely support you to develop with cross-functional skills in A.I. Engineering and Product.

Details of the internship are as follows:

- Internship commencing from 28th May 2020.
- Bright Capital will compensate you with stipend Rs.25,000 per month all inclusive.
- You will not be eligible for any other benefits during the internship.

To accept this offer, please send a confirmation by email to teamgrowth@brightmoney.co and sonal@brightmoney.co within 48 hours. We really look forward to welcoming you to the Bright Money team in Bangalore.

Best regards,

Petko Plachkov, Avi Patchava, Alex Seyfert and Varun Modi
